

Message about Capri's 2010 Auction: Baskets and Art Projects

Hello fellow Capri parents,

The spring auction committee is really starting to gear up its effort to put on a fabulous event on March 20, at the Sage Grill. The online portion of the auction, which will take place over the two weeks prior, will hopefully be just as fabulous. But we need your help to make this happen!

This auction is all about our kids. Every basket or art project you help put together means all of our kids have a better chance of benefiting next year from the music, science and technology programs that the auction has helped support for the past several years.

Enough preaching....The fact is, so far, we've only received 11 committed replies. We are hoping for 100% participation!! If you can, please find the time to submit an idea for a basket and/or art project. Need ideas?? Ask us, we have plenty!!

As a reminder, the baskets and art projects need to be turned in no later than February 26, less than a month from now.

If you have any questions or want to help, please call Heather Collins at **760-214-1003**

Thank you!

The Capri Auction Committee
